

Thanks for your purchase!

Warranty

Each Avastor drive includes a 4 year warranty. It is not required to register the drive to receive warranty service. Warranty support can be requested by visiting www.oyendigital.com/service

Plug-and-Play

Avastor drives are formatted using the HFS+ file system for Mac compatibility. The drive can be reformatted if desired. Please visit www.oyendigital.com/format for instructions.

Manual

To reduce waste, we have placed all documentation online. Visit www.oyendigital.com/support for manuals and additional product support.

If you have any issues or concerns, please contact us for prompt resolution!
