## (3) Hard Drive Assembly (cont.)

c) Screw the hard drive into the chassis using the mounting holes on the side.

(3) Hard Drive Assembly (cont.)

d) Flip over the chassis and tighten screws into the aligned holes.

Mount holes for 3.5-inch HDD

Mount holes for 2.5-inch HDD

e) Slide the bracket back into the housing. Affix the bottom screws.

(4) Hard Drive Formatting

If you have installed a new drive, you must first format the drive before it is accessible. Use Disk Management in Windows or Disk Utility in Mac to format the drive.
